

NWP SHELVING KIT A

NASHVILLE WIRE PRODUCTS

PATENTED

Nashville Wire Product Shelving Kit A

Nashville Wire Products Shelving Kit A's are designed to fit any shelf (new or in the field), and allow for versatile merchandising for any product size.

Each kit includes a Slip Sheet, NWP Lane Dividers (*Patent Pending*), and a Perimeter Guard. Shelves and Price Tag Molding are optional components.

NWP Shelving Kit A can be used with Winged (formed frame) shelving or Square shelving.

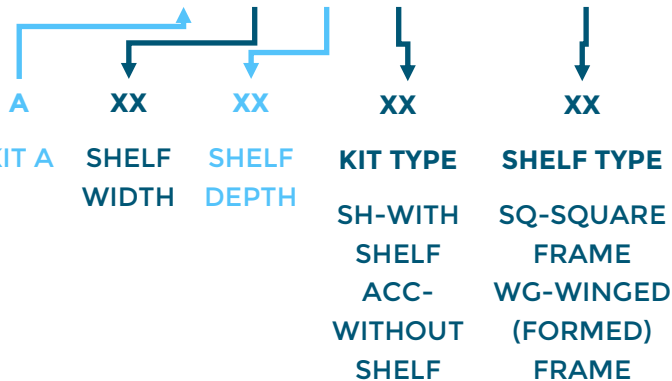

Please ask for detailed drawings to ensure this kit will fit your shelves/door.

For sizes available for Kit A components, refer to Table 1.

COMPONENT	WIDTHS	DEPTHS
SLIP SHEET	24,26,28,30	24,27,30,36,43,60
PERIMETER GUARD	24,26,28,30	24,27,30,36,43,60
