

Instant **MOBILITY** for containers and carts

Effortlessly convert your containers and carts to mobile units. Installation is easy:

- Assemble container per instructions.
- Install bolts effortlessly through pre-drilled holes. **A**
- Position bolt heads inside channels.
- Add washers and nuts at the bottom **B** to secure casters.
- Ensure two rigid casters are installed side-by-side on one of the short ends.

Why Choose Nashville Wire?

We are the industry leading producer of the highest quality wire decking and storage solutions used across a diverse range of warehouses and distribution centers nationally.

Thousands of fulfillment facilities across North America touch millions of products every day. With our help they optimize their operations, resulting in reduced costs to retailers and, in turn, consumers.

At our state-of-the-art production facilities located across North America, we build the highest quality solutions that deliver improved labor efficiency, optimized space utilization, safety, and durability in every client program.
