

FRENCH DOOR CARTS

optimize efficiency

Our large, dairy cart is designed to fit behind most french-door style coolers.

Product is coated using NSF approved powder and our state-of-the-art 3 step process including an undercoat and top color coat for improved durability, ensuring your shelves look pristine and rust-free after many years of heavy usage.

We offer our proprietary divider system which enables you to set and reconfigure customized planograms to accommodate a wide range of dairy and beverage product sizes. Dividers adjust left to right for ease of product updates.

Why Choose Nashville Wire?

Global brand development companies partner with Nashville Wire Products for our consistent, premium quality fabrication. We provide the highest quality component parts to our customers who, in turn, provide high quality appliances to their customers. As an integral part of the commercial and domestic appliance supply chain, our products can be found in millions of homes, restaurants and retail stores throughout the country.

We use state-of-the-art technology to build complex, custom, wire shelves and racks that optimize space management and improve functionality of products which we encounter every day. We engineer new solutions that provide durability, strength, performance and perfection.

ULTIMATE STOCK ROTATION SYSTEM

Restock from walk-in cooler for perfect stock rotation. Gravity feed shelves with glides ensure product slides smoothly within easy reach of the shopper.

FRENCH DOOR CART Key Benefits:

- Each cart comes with 6 shelves with side guards
- Rails are three-sided for easy cleaning to avoid germs and bacteria build up
- The cart has 4 sturdy wheels (2 rigid and 2 swivel) for mobility
- Each shelf comes with a proprietary clear acrylic front stop with price tag molding and glide sheets for easy movement of product
- Each shelf comes with 7 dividers (for each shelf) from our proprietary divider system
- Removable drip trays facilitate easy clean up
- Cart system available in white and black

MERCHANDISING EFFICIENCY

Reduce merchandising labor by restocking our cooler shelving system in minutes, not hours. Or simply switch out empty mobile cart with fully stocked one during peak selling periods.
